

The Emmanuel Eye

We see you and all the amazing things you do!

Summer 1/May 3rd 2024

Dear families,

Thank you, once again for another great week at Emmanuel. It was wonderful to receive a shout out on the radio for our participation in 'Cash for kids' one million steps challenge. The atmosphere and sense of community were amazing as we completed the event in the sunshine. Well done to everyone and thank you for all of the donations. More details can be found below in The Spotlight Section.

The Year 5 class had a wonderful experience at Weston Park this week and took part in the Ancient Greek Workshop with enthusiasm. This was a great opportunity for them to revisit their learning from the Spring Term. Please check out their class page to see how they built The Parthenon and acted out the dawn of democracy in Athens!

Attendance in school was 94.6% this week which is slightly below our target of 95%. I am busy sourcing some amazing prizes for the 95% draw for summer term. Make sure to be in to have a chance of winning it!

A huge thank you and congratulations to this week's star readers-Juve, Gracie, Grace, Josh, Mason and Jacob. Please come to choose one of our donated books. Keep up the good work everyone.

My class of the week for moving around school safely and sensibly are, once again, Y5/6RC. The second class to earn a seat on the benches is Y4HH with 93% of children staying off the grey door. A whopping 77% of the class stayed on the blue door and had no time on the thinking strip! Well done Iguanas!

SPOT LIGHT

An Eye on special events and achievements in school and in our community

A special spotlight on Isla from Year 3 this week. Isla received special recognition in Celebration Assembly today for inspiring the entire school community to take part in Sam Thompson's 1 million Steps. Between us, we completed 3,554,033 steps and raised £272 for cash for kids, A great charity supporting children to access healthy meals through the school holidays. What a wonderful example of courageous advocacy Isla, we are so proud of you!

Wow, Ben from Year 3 has kindly shared an amazing piece of science work he has completed!

Ben recently attended our science workshop and has now completed this siren circuit at home!

Fantastic Ben!

Congratulations to Ethan, pictured as flag bearer for his Cubs group at The St George's Day Parade in Woodhouse.
