

The Emmanuel Eye

We see you and all the amazing things you do!

Autumn 1/September 20th2024

Dear families,

We are already at the end of week 3 and the children are settled and working really hard. School displays are filling up with wonderful examples of learning and we are so proud of our environment. We have already had glowing feedback from visitors. Well done everyone!

Next week is cycle to school week. Do you want to save money, get healthier and protect the environment? Why not cycle instead of bringing the car? Children can leave bikes or scooters beside the school hall for the day if this makes it easier.

We are very pleased to have been able to replace the football net that was sadly stolen from our playground. The children can be reassured that it will be taken inside every evening. Mr Carrington has trained some of the children to move them in and out safely.

In more sporting news, Mrs Badger and I are busy arranging an exciting whole school event. Watch this space for more news on the "Emmanuelympics"! We can't wait to announce more details about this event coming soon!

Love from Mrs Thorpe <3
